On a beach by a tree, sat my family and me.

Then shouted a hog, "There's a Dog On A Log!!"

A Dog On A Log? Well, how can that be?

He must be saving that big, frightening flea.

Now why would a dog be saving a flea?

Especially in the water on the branch of a tree.

I couldn't believe what
I saw happen next.

Even that Dog On A Log was perplexed.

The flea pulled on a rope and up came a boat.

I'll bet you can't guess
what happened next.

A flea family ran from
the dog's little toe.

They got into the boat and began to row.

Once on the shore, they ran through the sand.

Over a cookie in
my left hand.

Right to the hog, that's
where they went.

They found a new home with an unpleasant scent.

As for the Dog, he's still riding that log.

As for me-Ouch-I think
I have a flea.
